Dear Linda Vista School Age hiring team,

I am applying for the Teacher Aide, School Age role at Linda Vista School Age Center. The work is before-school, after-school, and summer care for Linda Vista Elementary students at 65 Gordon Avenue. Kidango is the Bay Area's largest child care provider, and 98% of families served receive free or reduced-cost care. I want that school-age room: a safe, prepared day for elementary students while their families work. This is the after-school entry I am looking for. I want to be an adult in a room of kids, under a lead teacher.

I do not have classroom, camp, or tutoring hours with children, and I do not have ECE units. The posting prefers both. This is an aide seat beside an Associate Teacher, Teacher, Master Teacher, or Center Director, and I am applying to assist the daily program, not to run it. I will complete fingerprinting, the health screening and TB test, SB 792 immunizations, and mandated reporter training, and I will use Kidango's college tuition reimbursement to start ECE coursework.

Under the lead teacher, here is how I would do the work in the posting:

- Daily program: Assist planning, the learning environment, and materials. I taught EZ-AI to adult domain experts, then stepped back so they could run the work. Adult enablement with a Certificate of Cognitive Science, not school-age hours.
- Families: Parent communication as directed, plus greetings for children, parents, staff, and guests. IBM Customer Support notes and sessions, then three years as the only point of contact for consulting clients. Conversational Spanish, not bilingual: two years of university coursework and daily English, Spanish, and Catalan work in Barcelona.
- Health and safety: EMT-certified (2024). Patient assessment, BLS, and radio/team communication under uncertainty. Confidentiality of children, families, and coworkers is already a habit.
- Desired Results: I have not used DRDP. I can assist the notes and documentation the lead asks for.

I live in Emeryville and can be on site for the center's 7:00 am to 5:30 pm hours. Thank you for your time. I look forward to hearing from you.

Sincerely,

Ethan Zaruba-Walker
